The background of the slide features several sets of thin, curved lines in the corners. In the top-left and bottom-left corners, there are multiple concentric, slightly irregular curved lines, some solid and some dashed, creating a sense of depth and movement. In the top-right and bottom-right corners, there are fewer, more linear curved lines, also in solid and dashed styles.

Interviews

- Wie is er geïnterviewd?
- Belangrijkste bevindingen

The background of the slide features several sets of thin, curved lines in the corners. In the top-left and bottom-left corners, there are multiple concentric-like curves, some solid and some dashed, creating a sense of depth and movement. In the top-right and bottom-right corners, there are fewer, more widely spaced curved lines, also in solid and dashed styles. The overall effect is a modern, minimalist design.

Missie

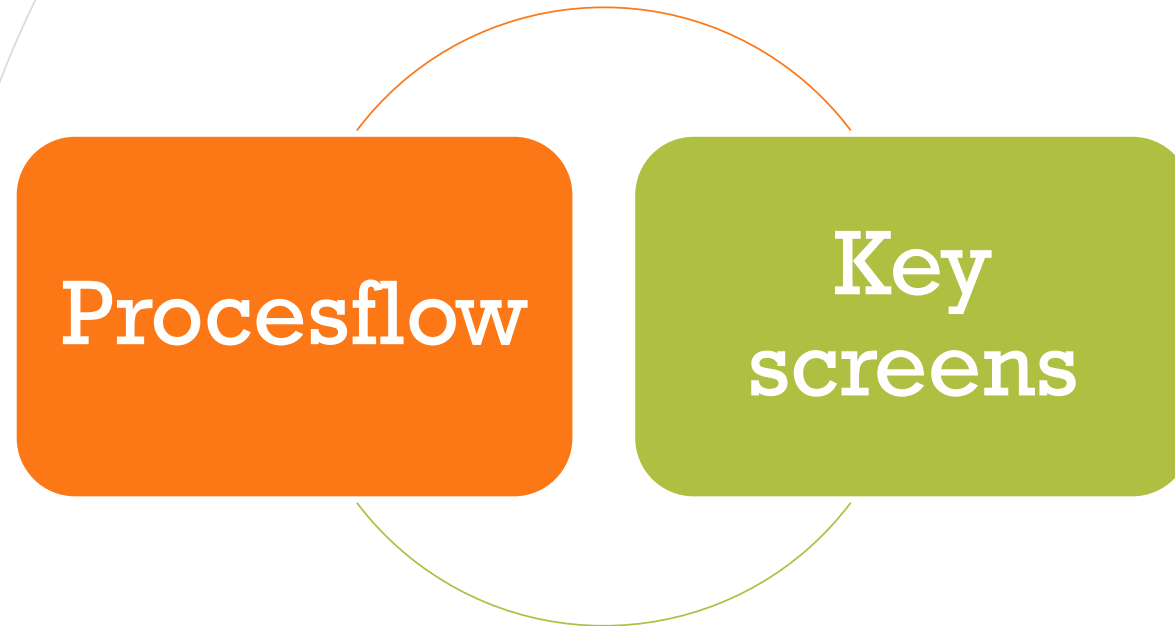

- Verminderen polarisatie

The background features several sets of thin, curved lines in light gray, some solid and some dashed, creating a sense of motion or flow. A large red speech bubble is positioned on the left side, containing the word 'Waarden'.

Werking van het platform

Visualisatie

A diagram illustrating the relationship between a Storyboard and a Promotievideo. It features two rounded rectangular boxes: an orange one on the left labeled 'Storyboard' and a green one on the right labeled 'Promotievideo'. Two curved lines, one orange and one green, connect the top and bottom of the two boxes, suggesting a bidirectional relationship or a process flow. The background includes decorative curved lines on the left and right sides.
